

# ECLIPSE LIGHT BARS

## CURVED DUAL ROW LIGHT BARS - 12", 20", 30", 40" AND 50"

The attractive curved design and dual row of LED's on the Eclipse provides a wider pane of illumination without making the light bar too wide. The Eclipse attaches through a strong aluminum bracket for maximum durability with minimum added weight. IP67 rated.

- 12", 120W Eclipse      The smallest curved, dual row light bar available from Earthtrack.
- 20", 200W Eclipse      A great option for medium sized vehicles which are used for night driving.
- 30", 300W Eclipse      The most popular size in the Eclipse range.
- 40", 400W Eclipse      An option for those looking for a curved light bar with a bit more power.
- 50", 480W Eclipse      The most powerful in the Eclipse range with an output of 43,200 Lumen.
